ABOUT THE ARTIST

Animagus Roy is an Indian DJ based between India and Europe. Known for his emotionally charged, highly energetic festival sets, he blends melodic techno, progressive house, and deep electronic grooves to create powerful journeys on the dance floor. With a growing presence across international venues, Animagus Roy is recognized for transforming emotion into movement — connecting crowds through rhythm, energy, and storytelling.

STATISTICS

Animagus Roy has been in the EDM industry since 2019, creating original tracks and performing electrifying live DJ sets. His music blends emotional depth with high-energy electronic rhythms that move audiences worldwide. Available on all major streaming platforms — including Spotify, Apple Music, iTunes, Amazon Music, and Tidal — Animagus Roy continues to expand his global sonic footprint.
